

Certificate

of the  
2022 K. S. Fu Award

for contributions to the  
North American Fuzzy  
Information Processing  
Society (NAFIPS)

The logo of the North American Fuzzy Information Processing Society (NAFIPS) is centered behind the text. It features a stylized red starburst with eight points, surrounded by two red curved lines that form a partial circle. There are small red dots at the ends of these curves and at the intersections of the lines.

awarded to

Vladik Kreinovich
